Stockdale High School Gridiron Club!
Your participation is greatly needed.

... "The primary mission of The Gridiron Club is to generate financial support and interest for the Stockdale High Football Program. The financial support generated will be used by the Football Program to enhance the program for the enjoyment of players, coaches, and spectators." As the non-profit booster organization for Mustang football, the Gridiron Club provides support for all three of our Stockdale High School football teams.

Here are a few of the contributions to the Football Program that the Gridiron Club has sponsored:

- Pre-game meals and game day breakfasts for players.
- Stockdale Mustang Spirit Tunnel.
- Upgraded buses for travel games (air-conditioned).
- Much-needed protective equipment for players.
- Sportswear for the football coaches.
- Field end zones painted.
- Post-game meals at "Away Games" for players.
- Mustang website: www.stockdalefootball.com.
- Football programs (new pictures every home game).
- Gridiron Club seating at home games.

The membership fee per family is \$25 for the year.
